# Welcome Bags

## for New Residents

The City of Stow is welcoming new residents by showcasing the best the city has to offer with Welcome Bags.

The Welcome bags harken back to the days of the Welcome Wagon, and Mayor Pribonic intends to hand deliver the bags to new residents.

The City of Stow welcomes your Stow business or organization to be included in the Welcome Bag.

**If your business or organization would like to participate:**

Provide 30 copies of a flyer, card, coupon, offer, or small promotional item.

\* All offers and coupons need to be valid for at least one year.

Drop off items at Stow City Hall or contact Brooke Huff for pick up.

**For more information, contact  
Brooke Huff at the Mayor's office:
