My daughter and I were driving (I was passenger) on Steels-Corner Road towards Blossom on the 1-way bridge. The SUV in front of us would stop/go/stop/go & beeping his horn. We could see lights coming from the opposite direction hence why he was beeping his horn for a 1-way road of the oncoming car. Then suddenly he started to back ^(SUV) up very quickly and rammed the back of his car into the front of my daughter's (Juliana Molina) car. I unhooked my seatbelt thinking we would get out, but his ~~the~~ vehicle continued driving forward. We followed, and when we got to the clearing of the intersection the SUV continued forward & turned left into the development and never stopped.

We got the license plate DBN 666 & came home. My daughter called police & they said to come in and file a report.

I was crossing over Steel's Corner bridge coming from Texas Roadhouse with an SUV in front of me. You can only go one way, I was heading towards Doodle Drive in Blossom. The other side is closed - there is a sign. The SUV in front of me begins to slow down & beeping it's horn... there's a car in front of them coming at them head on in the wrong direction. So the SUV in front of me begins to back up fast & I have no chance to reverse, they smash into me throwing us back. We eventually get off the bridge & the SUV that hit me turns left into the condos after the bridge & takes off. The front end of my car is damaged. There's a huge scratch below the grill & the side fenders are popping out on both sides.
