OFFICER'S NAME LOCATION

I was in the middle lane, then switched to the right lane and I did cut off the car behind me. The car honked and continued to follow very close behind me for around five minutes after I cut them off. Our cars did not hit each other, the driver of the car called the police saying that I hit them, I did not. My father, Steve, was on the phone with the officer and told the officer that our cars did not hit.
