OFFICER'S NAME LOCATION

I turned right onto 91 from Commerce Drive in the right lane. The driver in the Chevy was driving down 91 in the same direction and as he approached my car, he got in the left lane and passed me. After passing me, he got into the right lane in front of me. The driver of the Toyota that crashed also got in the left lane and proceeded to pass both me and the Chevy. At that time I was going at least the speed limit, so he passed us at a speed faster than that. After passing both I (Blue Subaru) and the Chevy, he got into the right lane as well. He then swerved from the far right lane across the left lane and both oncoming lanes in such a way it looked like he was turning ~~into~~ ^{into} a driveway or cross street (there was none.) He proceeded to strike the telephone pole, breaking it, before his car came to a stop. The driver of the Chevy and myself stopped and the driver of the Chevy went and checked on the Toyota driver. He told me to call 911, which I did. Another driver who saw the aftermath also stopped. Then Police arrived on scene. The driver of the Toyota was bleeding from the head but was able to walk, and proceed to look for his glasses in his car.
