Traveling south on Darrow Rd, the traffic light outside the library turned green & the Honda Civic in front of me proceeded to accelerate. I did as well and when they stopped abruptly didn't have time to brake, hitting the civic in front of me. We were not going more than 5mph upon impact; however damage was done to both his bumper & my front of my CR-S.

I was sitting in the passenger seat of ~~the~~ one of the cars in the wreck, the one that got hit. I'm not exactly sure if the light turned green or if we were just inching forward, but either way we were going forwards. I heard tires screech behind us, and then we get hit.

I was heading south bound on Darrow Road with one passenger in my vehicle (Alex Martin) when I stopped at the stop light on Darrow and Beech, the car in front of me stopped, I stopped, the car in front of me began moving forward slowly so I also began moving forward slowly. The car in front of me then hit the brakes so I hit as well. The car behind me was slower to react, striking the back of my vehicle in the process. ~~Warning~~ me and the other driver turned out hazards on before making our way from the left lane to the right lane then to the nearby library to file this such report.
