I was driving in the right lane, westbound. A car driving west in the left lane ran into a truck that was turning out into oncoming traffic. It appeared as if someone in my lane a few cars up, was letting the truck out by stopping, unbeknownst to the car still driving up the left lane. None of the vehicles involved were speeding. We were all going about 25-30 as we approached the school zone.

The truck was entering unstopped, oncoming traffic.
