OFFICER'S NAME LOCATION

I was at a complete stop with my left turn signal on to turn left onto Hibbard Dr. I then noticed a white SUV behind me creeping up as I was waiting for cars to pass to turn. She then slammed into me and my car flung forward very fast. Everything in my car flew and I flying forward, I was in a state of shock. My car started going off with emergency signals and a message that I was hit. I was then hit a second time, and flung forward again. I was then able to slow my car down, put it in park, and safely get out.
