 As I was commuting on Rt 8, my vehicle started veering to the left, my car hit the guardrail, and spun out into the two right lanes, as I was spinning out, the vehicles in the middle lane were able to stop, and the vehicle in the furthest right lane managed but wasn't able to. We both collided into one another. I got out and checked my vehicle, while doing so traffic was beeping at me to get out their way. I got back into my vehicle and pulled to Steels corner exit. Driver didn't notice me signaling him to pull to exit as well. Got back on highway and came back to accident location.
