OFFICER'S NAME LOCATION

I was in the right lane at the time which was a right turn only lane and I noticed then took a ~~right~~ left merging while I was looking in my mirror and blind spot there was no cars in sight so I thought I could safely merge then heard a lot of beeping slowed down and merged. I kept going to my friends quarters and got his phone because I thought it was just a really close call, then picked up his phone and continued onto my way to school.
