INCIDENT DATE  
AND TIME

When we turned ~~on~~ the highway, ~~our~~ car speed was about 10-20 mile/hr. we weren't fast. When we turned the floor is slippery, and our car turned / <sup>was</sup> spinning 180-360° the car behind us was closed so he hit us. He said he was trying to turn left before the next car turns left. But because our car was spinning, it's too late for him to stop or he may stop but the floor was slippery the break may not work that well either. Then he stopped to wait for us, but we can't go the same direction as we go on highway. We just park on the entrance of season road and the police came to check on us. We just reported the car accident to the police. Police asked our driving licenses and insurance. We ~~do not~~ have our insurance with us. We'll email to police and get the report. Police ~~did~~ asked us whether we had our seat belts on. We all had our seat belts on. We are all ok ~~to go~~. No injury to him either.
