DESCRIBE WHAT HAPPENED  
Vehicle #1 arrived at the listed address first and parked to drop off a passenger. Vehicle #2 pulled into the driveway and was parked at the end towards the street. Vehicle #2 had damage to the driver's side door that was discovered 2 days later. The driver of vehicle #2 did not see or hear vehicle #1 strike his vehicle. Vehicle #2 assumed damage was caused by vehicle #1 and not reported. An arrangement was made to compare damage location, however vehicle #2 was unavailable. I was later informed vehicle #2 was already being repaired in a car shop.
