OFFICER'S NAME LOCATION

I got off of work at Marc's, ~~parked~~ I pulled up to the exit of the parking lot and turned my left turn signal on. I looked both ways and waited for a car to make a right hand turn at after that I once again looked for incoming traffic and then turned left. Then the accident happened I must just not have seen his car. After the impact I pulled to the right of the road as called my mother and the police and checked on the other person in the accident. Once again I don't recall seeing any vehicle on head lights
