Went to Davis Eye Center to pick up contacts for my daughter. I saw a spot open up. There were no other spots available. As I move forward to the parking spot I noticed a guy blowing ^{leaves} ~~flowers~~ from the flower bed behind the spot. He is on the grass / cement berm area moving to the side / back / front of flower bed. As he came around to the front of the flower bed I stop my car and put it in park giving him 3-5 feet to see if he was going to move around to the grass again. Instead he turned ~~his~~ into my car with the blower lightly scratching the back of my car by the emblem. I look in my driver side mirror and he took his ear buds out and starts yelling at me asking if I saw him there. I said yes that's why I was giving him the space needed. He then calls me the N-word and asks if I want to throw hands because he doesn't need his job. I try speaking to another person and he says in english. I went inside to get the contacts and check to see if they had cameras for the parking lot. I also got the officer's name & #.
