I was coming from Subway on my lunch break. I was coming to a red light. Slowing down in the right lane. She was in the left lane. She hit me hard on the left side. I got out to see what happened, my car was messed up on the whole left side. We pulled onto another street to get out of the middle of the road. She didnt see me coming on the right, thats why we hit each other. My car has more damage than hers.
