I was turning left into a plaza when the car coming from the other side hit the ~~the~~ side (back tire) of my car. It seemed like she appeared out of nowhere and I could not finish my turn before she hit me. I believe she was going over the speed limit and I could not see her for that reason and she couldn't stop.

Fusco #764 OFFICER'S NAME AT 3274 KENT RD. LOCATION

Coming From Cuyahoga Falls heading East bound to Stow on Route 59, I was in the right hand lane heading straight. I was passing a car in the left hand lane who was making a left hand turn. When the black Volkswagen SUV, who was coming from the opposite direction made a left hand turn directly in front of me. I did not know she was turning, I slammed on my brakes to avoid collision. I remained in the right hand lane whilst she finished pulling into the parking lot after we collided. All damages are located in the front of my vehicle.
