I was backing out of my parking space in front of Giant eagle and was almost all the way out and a white SUV driven by a man with light brown hair and a blue/green shirt backed quickly out of the space behind me and slammed into my car. I turned to try to get a picture of his plate and he had jumped out and was standing in front of his plate so I couldn't see it. he quickly unscrewed the plate, took it off, and sped away.

OFFICER'S NAME LOCATION

I just pulled into and parked. Exited car while driver next to me started to back up to leave. At that time (she was 3/4 pulled out) and the white SUV behind her threw his car into reverse quickly without looking + slammed into her car and almost hit me. While we were trying to get phones out to take picture of his plate, he quickly removed rear license plate + sped out just missing a mom + her kids.

He was a slender white male maybe in his 30's dark hair wearing a mint green t-shirt. Rear license plate holder said SARCHIONE Vehicle name may have started with a "P" not sure.
