At 1:59 pm I approached a yellow light on Kent Road heading towards Stow at the intersection where you meet hobby lobby and Wendy's. When the light changed I braked to a stop, the front of my car met the white line. As I was stopped ^{ing} I looked in my rear mirror to see a white Chevy Equinox behind me, with what I believed to be a large enough distance between the two of us. I watched her continue to approach my car and at the last moment she swerved right to avoid collision, but it was too late as the front left portion of her car hit my rear right bumper & muffler. She stopped next to me, her in the far right lane now & me in the center lane. The cars ~~behind~~ behind us pulled over, & when our light changed back to green we pulled into the Wendy's parking lot, me going first after letting her know I was going to do so, so not to cause another collision.

OFFICER'S NAME LOCATION

On Aug 11, 2025 I was driving down Kent Rd at the intersection of Kent Rd and the Plaza where Holiday Lobby is. The car in front of me was moving onto the intersection when the light turned yellow. She hit her brakes pretty hard to keep from going through the traffic light. I tried to swerve out of the way, but was unable to avoid the collision.
