DESCRIBE WHAT HAPPENED

Unit 1 was traveling eastbound on Graham Rd. Unit 1 attempted to turn right into the Woodland School parking lot, but turned too sharply and ran over a storm drain in the grass beside the road. The weight of the vehicle broke the concrete base and moved the grate off of the drain. Tire marks matching Unit 2 were found in the grass next to the grate. Unit 1 suffered minor cosmetic damage, including a scuffed tire and damage to the passenger side running board.
