He swerved into my lane and almost hit me head on but I swerved and tried to avoid him but he was fully in my lane, I swerved and he hit me, I'd say 35-40 MPH. I was in shock at first but now I am starting to feel pain in my back and neck on my left side

I WAS DRIVING DOWN Fishcreek just past the veterinary clinic and I SAW A BLACK RAM TRUCK GO ACROSS the yellow line driving right into the black car in front of me. Luckily she swerved as far right as she could and spun out of control ending up in the ditch on the opposite side of the road. The driver in the truck was completely at fault and was completely in ~~the~~ our lane going EAST.

I drove as far to the right as I could or he would have hit me too.

I was coming around the corner from the car wash when I saw a car coming my way and swerving towards the middle yellow line. I myself was already near the yellow line and as we were passing each other our cars met in the middle my front end swiping ~~the~~ near the back end of her car after she attempted to move entirely back into her lane
