MARUNA AT SR 8 S @ 8.4 MP  
OFFICER'S NAME LOCATION

I was driving home from work Graphic Design Packaging Int in Solon. It was dark out and hard to see. I was in the left lane doing under the speedlimit which is 65mph so probably 55-60. And the next thing I know a car hit me from my passenger's side and bent my tire and smashed into my doors in side mirror. At this point I heard a boom not a noise and my body jerked with the hit I almost lost control and hit the jersey barrow or fence. I immediately pulled over but the damage was very bad on my passenger side, it crushed my doors in broke my side mirror and other damages. My tire got stuck inside and I could not steer my vehicle at this point hitting my breaks and praying to Jesus not to let me die. I slammed on my breaks and tried to pull over to the median on the right to I could not stop write away. Then by the grace of God I made it over to the shoulder and nothing else hit me, then I immediately called the police to come here. This was not my fault one bit the swerved over into my lane causing this accident. This is my only vehicle and I might lose my job no with no car.

<u>A. Grenovese 780</u> OFFICER'S NAME	AT <u>RT 8 S @ Graham RD</u> LOCATION

I was driving home from work on Route 8 South in the right lane near the exit by Walmart when a car scrapped my drivers side of my 2012 Cadillac SRX. I managed to pull the car off to the side and then called 911. I feel uninjured besides banging my head on the window. The front wheel is somewhat dislodged and the side is scrapped. The car isn't drivable.
