B. Smith # 728 OFFICER'S NAME AT 3327 Graham Rd LOCATION

I was pulling out into the horseshoe into the far right lane from the closest parking lot to Graham Road from the closest exit to Graham. He was ~~proceeding~~ driving straight on the horseshoe in the far left lane to turn left on Graham. I was waved across and took a quick glance to make sure I could turn into the lane and proceeded. I did not see him and ran into his left back end with my right front end. We were not hurt and it was definitely of my own fault as I had been turning left and he was proceeding straight. I possibly hit his tire due to lack of damage and color of impact on my car ^{much}
