DESCRIBE WHAT HAPPENED

Unit 1 was stopped behind Unit 2 in the parking lot of 4460 Hudson Dr. Both trucks were facing west. An employee from the business instructed Unit 2 to pull into a loading dock. Unit 2 began backing, from west to east, before it was safe to do so, striking Unit 1 in the front.

The driver of Unit 2 claimed there was no damage to his trailer or to Unit 1's bumper. I observed damage on both trucks and took photographs.
