OFFICER'S NAME LOCATION

On April 7, 2026 at approximately 5:30pm I backed out of my garage after checking the rear backup camera. I proceeded to the sidewalk area where I stopped and looked to the right and left checking the street and sidewalk area as my camera doesn't provide a very wide range. I proceeded to back into the street as all was clear, put car into Drive to travel north on Pemberton (away from Duquesne) and as I moved forward I was hit in the driver's side back corner. No passengers were in either car. After checking that there were no injuries I contacted Stow Police, cleared the street of debris and spoke with my neighbor Daniel March from 5316 Pemberton, directly across the street who was the driver. Mr March stated he felt he would not contact the police and would not turn the damage into his insurance. The damage to his vehicle was in the middle, a bit to the left of the license plate on the back to bumper and (appeared to be) hatchback. Many thanks to Ofc Childers for her prompt and professional response which enabled Mr March to get on his way as he stated he was in a hurry and I was able to proceed with my evening, also.
