

Community Parks with Hiking Trails

Adell Durbin Park 3300 Darrow Road

This 34-acre park, located on the border of Stow and Munroe Falls contains a large play area and playground, hiking trails, a wildflower meadow, and lit tennis courts.

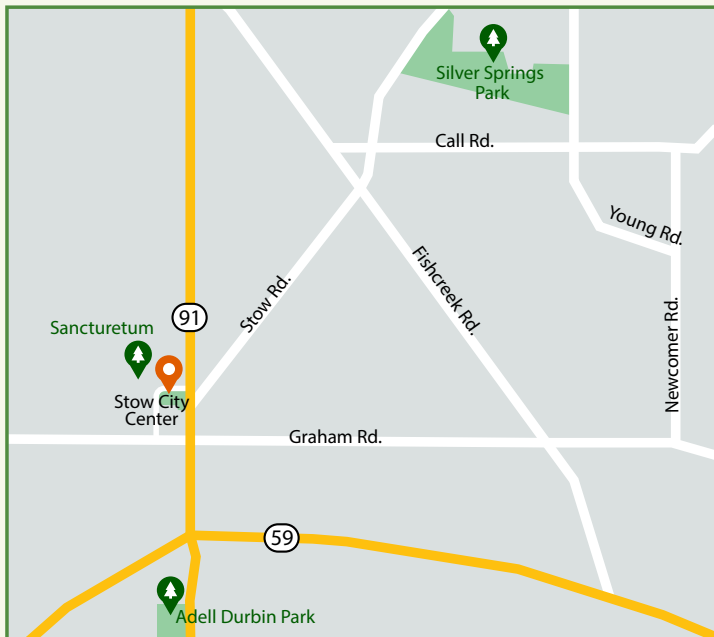

Silver Springs Park 5027 Stow Road

This large 280-acre park houses the Leona Farris Lodge (5027 Stow Road) and Heritage Barn (5238 Young Road) which are available for event rental.

The park also includes the S.O.A.R. Boundless Playground for children of all abilities, Bow Wow Beach (the city's dog park), lit tennis and basketball courts, baseball and softball fields, outdoor shelters available for rental, and vast hiking and cross country trails. Also nestled in Silver Springs Park is Stow Silver Springs Campground, one of a few municipally-operated campgrounds in Ohio.

Sancturetum at Stow City Center 3760 Darrow Road, off Dirker Blvd.

This wooded area behind the Stow City Center includes the Akron General Wellness Trail and connects to local neighborhoods. While you are walking the paved trail from Louis A Dirker Jr. Blvd. toward Lillian Rd., enjoy the StoryWalk® presented in partnership with the Friends of the Stow-Munroe Falls Public Library. Free program for all ages

Read and Recharge on select Tuesday evenings this summer. Join the Bookmobile at City of Stow parks for an hour of reading in community. We'll start with a guided meditation and mindfulness exercise followed by silent reading. We'll finish reading with some calming music and then gather in to optionally share your reading interests and recommendations. Bring a chair or blanket, snacks, and a book, or pick up your next new favorite read from the Bookmobile! Registration is recommended for program updates beginning May 19 at 9 AM. In case of inclement weather, the program will be canceled. To register, call (330) 688-3295, ext. 5, visit events.smfpl.org, or stop by the library.

**Story Nature Hike:
Creepy Crawlers**

Wed., July 29, 7 - 8 PM
Adell Durbin Park, 3300 Darrow Road

Free program for families

Do you ever wonder where insects make their homes? How about what types of tiny organisms live in the streams? Do you like to play with sticks and stomp in the stream? Then this event is for you! We will read about where our native insects, especially bees, live and then head down to the stream where we will search for macroinvertebrates! Then we will collect leaves and sticks to create our own bug hotels to take home and create native insect habitat in your yard. Registration for this free program is required and begins July 15 at 9 AM. Please register each family and include the ages of each child that wishes to attend. To register, call (330) 688-3295, ext. 5, visit events.smfpl.org, or stop by the library.

Connect with the wonders of nature right outside your door! The City of Stow Parks and Recreation Department and the Stow-Munroe Falls Public Library have partnered to offer outdoor programs for area residents throughout every season.

At the future home of The AMP, 1680 Norton Rd.

Excitement is building as construction begins on the City's outdoor performance venue, and the Stow-Munroe Falls Public Library Bookmobile is thrilled to be part of the fun!

Each pop-up features family-friendly activities designed to get kids building, playing, singing, dancing, and creating. Stop by for a few minutes or stay and explore. Throughout the series, kids can enjoy interactive experiences such as an open mic for young performers, pop-up dance parties, hands-on building activities, and plenty of opportunities for creative play.

Be sure to look for the Bookmobile at each event – every child will receive a FREE book!
