The other driver was driving in front of me on Hudson dr going towards Season rd. The road was closed so you have to detour through the neighborhood. we went through going the same way through until we got out of the detour. once we got onto Hudson again He pulled over saying He has a gun in the car. I went around his car and He started accelerating very fast towards the back of my car. I tapped my brakes to start slowing down to get back to speed limit and He rear ended my car. Continued driving a little ways until He got to his destination.

OFFICER'S NAME LOCATION

I was driving to work this morning and upon reaching the hudson drive-commerce drive intersection the white car pulled behind me and began tail-gating me very closely, including acting like he was going to ram my car. I pulled away ~~into~~ through a neighborhood because the main road was closed and he continued following on my bumper through the residential area until i pulled back out onto hudson drive. I pulled over in front of the daycare to let him pass but he pulled beside me and began swearing before telling me to follow him. AS soon as i pulled back onto the road, he slammed his brakes and made me run into him. He continued following me to work.
