DESCRIBE WHAT HAPPENED
Owner of vehicle #1 exited the business and noticed his vehicle was newly damaged. The suspected driver of vehicle #2 had already fled the scene. Camera footage requested but employee advised it is a lengthy process. Inust pending. After waiting until 5/23/26, I have yet to hear anything back from Wendy's regarding possible camera footage. I called the Store on 5/18/26 and spoke with the same employee I spoke with the day I requested footage. He said he had brought the matter to his manager at least twice, however she did not get back to him at all.
