OFFICER'S NAME LOCATION

While driving on the highway, I was trying to get off on Exit 7 to Graham Road. While approaching the exit there was a SUV originally in front of me. This car, without stopping, quickly ~~swerved~~ turned into the other lane. Once the car moved I saw the Ford SEL and slammed my brakes. However although I slammed my brakes, I still didn't have enough time and crashed into the car. My air bags didn't go off but I was not harmed. When I stepped out of the car to see if the person in front of me was alright, that's when I saw the same car rear ended another red car in front of her and saw other cars behind me as if my car got hit too.
