DESCRIBE WHAT HAPPENED

Vehicle #1 was traveling North on S.R. 8 North in the left lane near the 9.4 milepost. Vehicle #2 was also traveling North on S.R. 8 N but in the right lane. Vehicle #2 tried to merge from the right lane to the left but did so without yielding to vehicle #1 who was already occupying that lane. This resulted in a same-direction side-swipe collision. The driver of vehicle #1 reported the accident several hours later and officers were unable to reach the driver of vehicle #2; however she left her information with vehicle #1.
