In an Urban Driver I was heading west on Graham Rd. At the light at Fishcreek Rd. other driver turned right on Red rd went into left lane. I went through the light at 35mph. Noticed other driver going slower. I sped up to pass before the lane merges into one lane. At that time the other driver sped up. I did not try to take it by him. At that point his car turned into mine. Dragging the left side of the car. I had to drive on right path of road to get by him. Other driver was right when I approached him. Or if I wasn't paying for his damage to get away from him.
