OFFICER'S NAME LOCATION

In a Honda Odyssey, I was driving with my 3 kids, Liam, Klara, and Parker. Driving on the right side of the road, I came upon a vehicle maneuvering around a parked car. The <sup>MSI</sup> oncoming vehicle moved into my side of the road. I stopped my vehicle. The oncoming vehicle didn't stop. I honked my horn to alert the driver. The oncoming vehicle didn't stop or slow down. The vehicle then hit my vehicle head on. Air bags deployed. The battery was then disconnected to stop vehicles horn noise. That was my vehicle's horn. Upon initial inspection, damage to front drivers side was substantial, the other areas of the car didn't visually appear significantly impacted.
