I was driving westbound on Kent Rd at approx. 8:35am on 12/27/21 travelling at less than 30mph. I approached the intersection of Kent Rd (by the McDonalds and Chipotle <sup>with</sup> ~~where~~ the light fully green (it remained green for many seconds after the collision) and collided with a car making a left turn into the Hobby Lobby plaza. There was a car in the left lane in the intersection that was stopped traveling in the same direction as myself which limited the visibility for the driver that collided with myself. When I saw the car turning left from the opposite direction I immediately slammed on the breaks and honked my horn but it was too late.
