OFFICER'S NAME LOCATION

The traffic lights were out so the silver chevy was next in line to go. ~~when~~ she started to drive through the intersection when the car that hit her went flying through and t-boned her. The car that hit her went through the intersection even though the car in front of her had just gone ~~the~~ so she went through out of turn causing the accident. she never stopped, she just drove off and parked in the shopping plaza and went into hobby lobby. I was in my car sitting at the intersection right in front of it when it happened. The girl in the silver chevy was not at fault
