ACCIDENT REPORT

24TH June 2020 Early morning

I Ronald Jeffrey was sitting in my apt. at Stow-Kent Gardens watching T.V. When I heard a noise looked out my window and saw a red car had hit a tree in driveway goes towards Kent Road. The gentleman got out and was looking at his auto frantically. He was skinny dark hair white tank top with straps. He got back in auto braked up and drove away towards Kent Road. I called management Stow-Kent Gardens to tell them. Later about 15-20 mins later when we were leaving to go out to store I notice same car at now closed pizza hut with flashers on. He was now over concrete barrier postings towards Sadcreek Rd. Car still running - same gentleman was trying to lift car off barrier while tires were still spinning. I again called management told them that the guy who hit the tree was at pizza hut. I believe this gentleman had he been able to hit the auto would have been hit or killed and possible would have hurt someone else.
