Heading north on Kent rd. I was in the left hand lane. ~~As~~ approach the slight curve in the road. A large truck ^{was} passing me on the right side of the bus.

As they passed I heard a scrapping sound I noticed the passenger side window was shattered I blew the horns for the truck to let him know he hit the bus. The driver sped up and flicked me off with his middle finger. I then had to speed up to see the company name of the truck Barber's Tree service. and it had a orange trailer attached. By this time we were near the cemetery approx. I then pulled over and called 911. I made sure my two passengers were not injured.

I was driving my Barberton Tree Service chip truck with the chipper on Kent Rd. and I went to pass a black mini bus and as I was passing her she was super close to me and rammed me off the road to where my right side of the truck was off the curb. Almost caused me and my passenger to hit the poles then I look in my mirror and she was super close to my chipper. honking her horn.
