NARRATIVE
Unit 1 was westbound on Greenlawn approaching the intersection of Fischcreek Rd. Unit 1 driver reports they had the left green arrow to turn south onto Fischcreek. As Unit 1 proceeded through the intersection, Unit 2 ran the red light northbound on Fischcreek and struck the driver side of Unit 1. The collision caused Unit 1 to roll over and come to rest on the passenger side. Independent witness confirmed that the traffic signal was green for vehicles on Greenlawn.

Off. Myers #747 OFFICER'S NAME AT 3800 Darrow Rd LOCATION

On September 3rd, 2020 at approximately 2:30pm I was traveling on Greenlawn toward Fishcreek behind a gold/tan-ish mini ~~van~~ van. As the minivan approached the intersect, the light was green. I planned to follow the minivan out onto fishcreek and make a left turn. A silver SUV, (Honda CRV - I believe), did not stop and T-boned the mini van. I place my vehical in park and turn on hazzards, called 911, and ~~me~~ asked the Silver SUV driver if she was ok. The mini van driver exited her van via the trunk. I left before police + medics arrive.

I took a picture of the accident after my 911 call & making sure both drivers were "ok"

I had just dropped off my oldest daughter to my ex-husband. I was stopped at a red light briefly before I got the green arrow to turn left out of the Stow Woods neighborhood. I looked left right then left & right again, saw no cars, so I started to turn left into the intersection. I then saw something coming very quickly towards me out of the corner of my eye, I looked out my drivers window just as she ~~is~~ was about to hit me, I tried to hit the gas peddle in hopes maybe she would miss me or just clip the back bumper. I remember the moment of impact, my head hit the drivers window and ~~is~~ broke it. I remember rolling 1-2 times in the van, I remember my hip hitting something hard as well as watching everything around me spinning. Never blacked out. Then a man came to my van, asking if I could stand up. I looked up thru the drivers window as he was trying to reach for me. I tried to stand up and fell due to the pain in my left leg. & Someone opened my back hitch and I climbed out thru the back seats, then saw my ex-husbands tshirt

and I reached for him, he then picked me up and carried me to the grass. Then cops & emts came surrounding the scene & me. I remember getting looked at, being put in the ambulance answering questions. Got to Akron general, clothes cut off me, IVs started, CT scan ~~and~~ and X-rays

I simply remember every single horrible terrifying accident. It keeps replaying in my head when I blink or try to close my eyes.
