| | AUGUST 2021 | SEPTEMBER - OCTOBER | NOVEMBER | DECEMBER | JANUARY 2022 |
|------------------|------------------------------|---|---|-----------------------------|-------------------------------------|
| ENGAGEMENT | Kickoff Meeting | Steering Committee & Stakeholder Outreach | Steering Committee & Community Open House | Steering Committee | Community Meeting |
| | | Community Meeting – Bike N Brainstorm | | | Presentation of Report for Adoption |
| PLANNING PROCESS | Existing Conditions Analysis | Preliminary Studies & Scenarios | Preferred Alternatives | Drafting of Report Document | Final Recommendations & Report |

Steering Committee Meeting (3-4 Group Meetings)

Community Meeting/Presentation (3 Public Sessions)

Project Goals

- **Connect** people to the planning process
- **Complete** trails & connections via missing links / last mile
- **Design** initiatives at key focus areas
- **Create** implementable plan
- **Early win** to demonstrate / gather momentum

Process

LAUNCH

- Existing Conditions
 - Affirmation through engagement process

CONNECT

- Prioritization
 - Prioritize missing links & key focus areas based on criteria and identifiable metrics

CHAMPION

- Develop Framework
 - Classify interventions based on route and connection types for easy applicability across the City

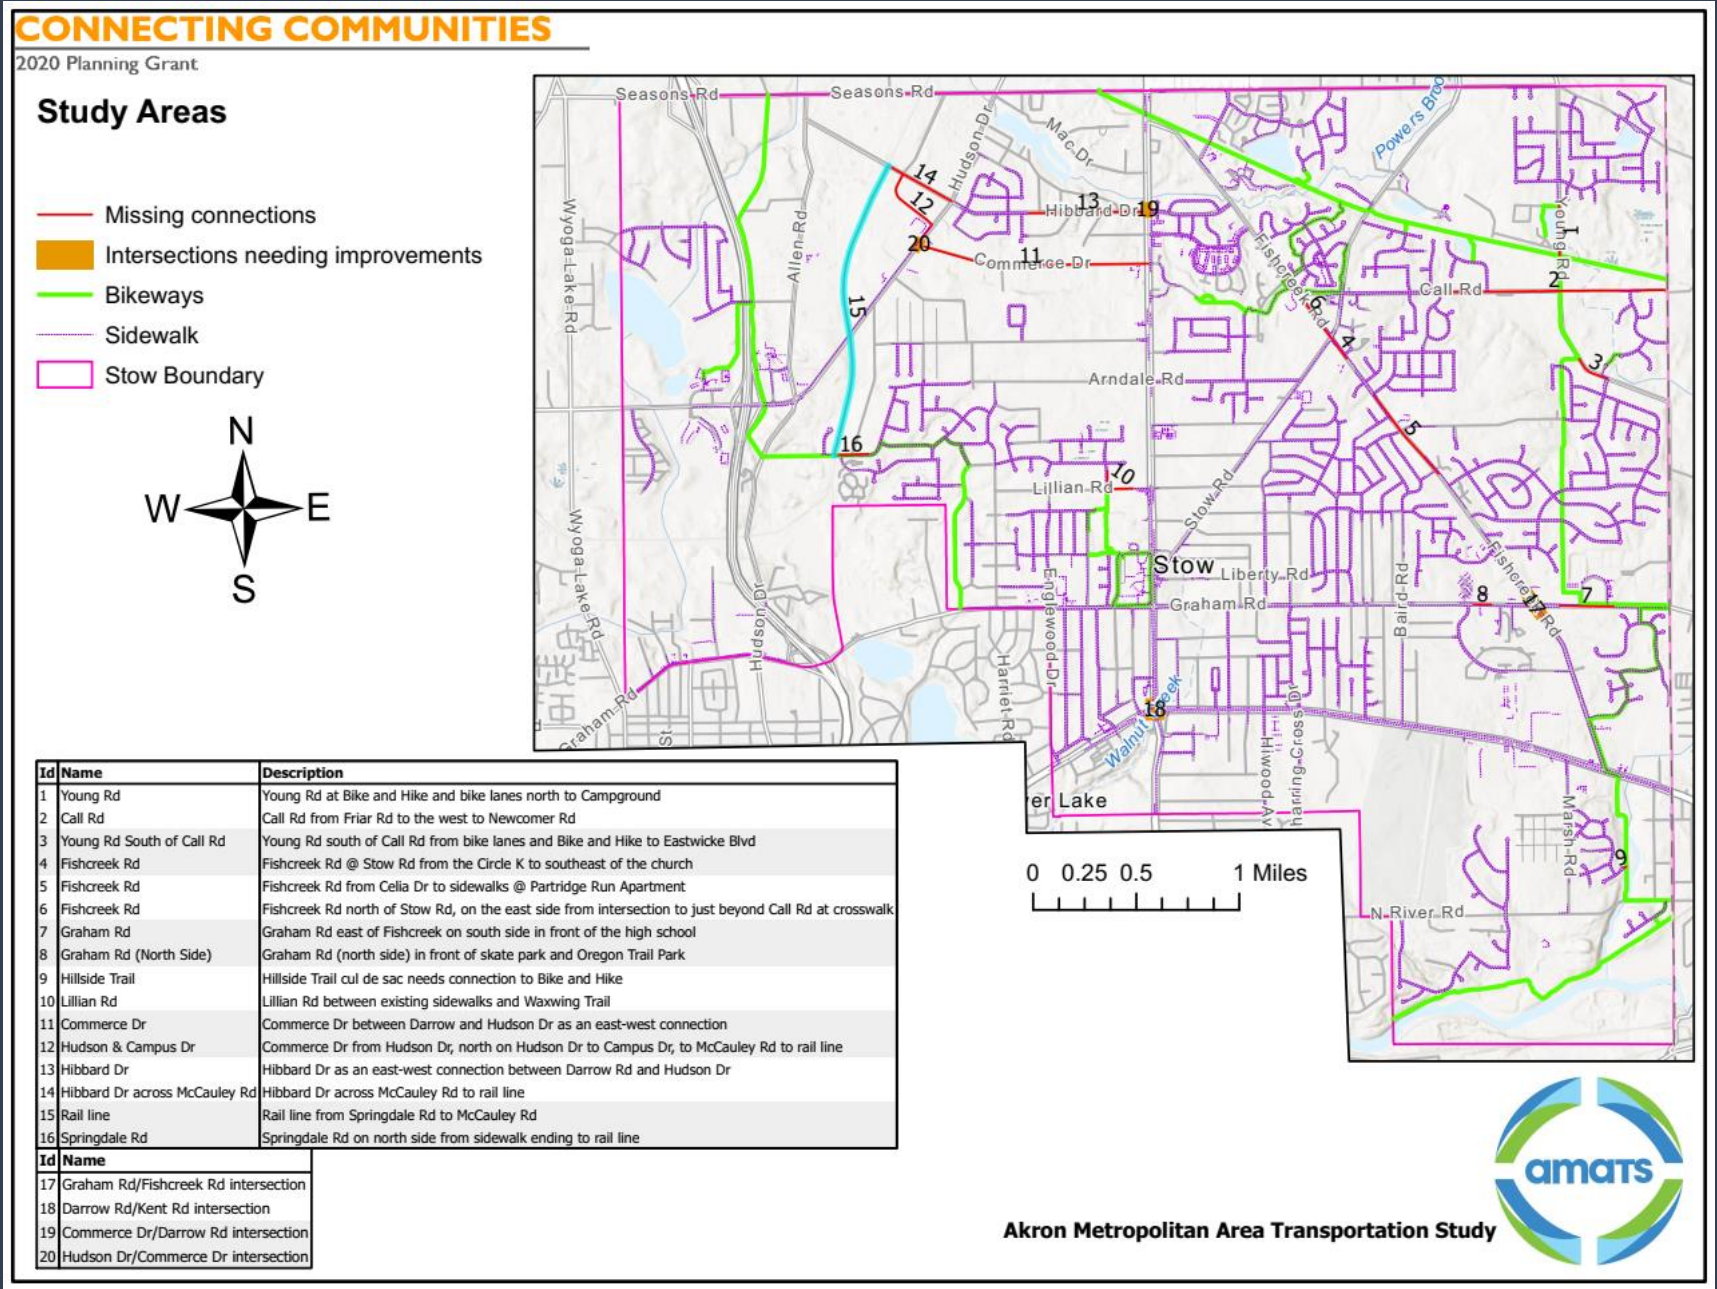

LEAD BY DESIGN

- Create a "Menu" of Items for Implementation
 - Compliment "big-thinking" with implementable initiatives that will establish strategies for incremental improvement

ENDURE

QUANTITATIVE
+
QUALITATIVE

Existing Conditions: Quantitative (data & maps)

Existing Conditions: Qualitative (input & feedback)

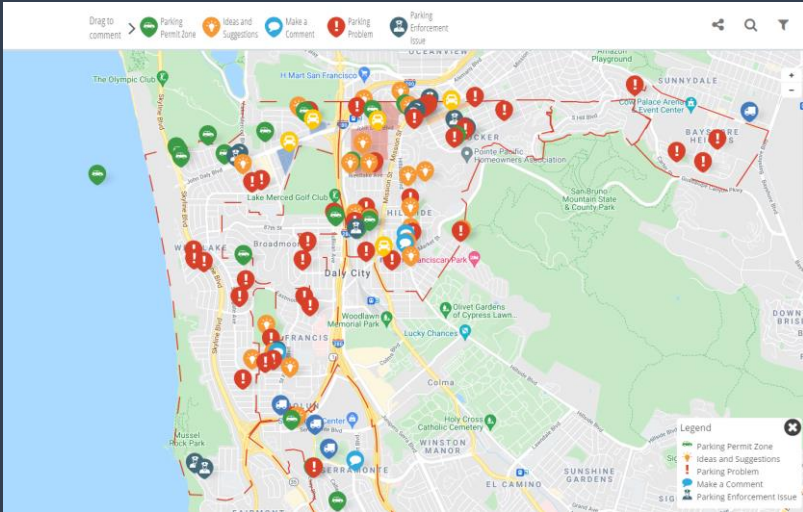

Prioritization

- Prioritize missing links & key focus areas
 - Develop matrix for evaluation
 - Criteria:
 - Safety
 - Frequency of use
 - Children

| Study Area | Safety | Frequency | Children | Total Index |
|------------|--------|-----------|----------|-------------|
| 1 | | | | |
| 2 | | | | |
| 3 | | | | |
| | | | | |
| ... | | | | |
| 20 | | | | |

Engagement Strategy

What can we do to make the city centre more playful?

- Streets** (Blue icon)
- The Square** (Purple icon)
- Laneways** (Pink icon)
- Green Spaces** (Green icon)
- Buildings** (Yellow icon)

needs a dog park

Survey

Ramsey County is working on a new park design for Beaver Lake County Park and we need your help to prepare a new county park redevelopment plan. Please complete the survey and let us know your experience and what you would like to see in the future at Beaver Lake County Park!

Complete the survey by August 31, 2020 and be entered into a drawing to receive 1 of 10, \$20 Cub gift cards!

1. How often do you visit Beaver Lake County Park?

- Frequently (at least once per week)
- Occasionally (at least once per month)
- Rarely (at least once per year)
- Never

2. How much time do you spend at Beaver Lake County Park when you visit?

- Less than 30 minutes
- 1 hour
- 1-3 hours

Bike N Brainstorm

- City Hall (start)
- High School Stop
- Young Trailhead Stop
- City Hall (end)

Join us for a 8 mile ride followed by a brainstorming session to improve cycling in Stow!

No bike? No problem! Free bike rentals will be available courtesy of Ohio & Erie Canalway Coalition

Where: Starting/Ending at Municipal Building parking lot

Date: Saturday, October 16th
Rain Out: October 23rd

Time: 9:00 am

CEDAR-LEE-MEADOWBROOK

Project Information

More information about the project can be found by downloading the [Project Information Sheet](#) (PDF).

Community Engagement

The City and its partners are committed to engaging with and keeping the community informed about the Cedar-Lee-Meadowbrook redevelopment. A series of focused community conversations pertaining to this vital project will be held in the coming months. Past meetings topics have included Parking and Traffic Community Workshop and Public Spaces and Connectivity Open

The screenshot shows the website for the Stow Connectivity Plan. At the top, there are logos for 'City of Stow' and 'AMATS'. Navigation links for 'Home', 'Feedback Activities', and 'Contact Us' are visible. A prominent yellow banner contains the title 'Stow Connectivity Plan' and a paragraph describing the collaborative planning process. Below this, a white section with a light blue background contains a welcome message. The 'Opportunities to Engage' section features three cards: 1) 'Bike N Brainstorm' with a map and event details; 2) 'Study Area Map' with an aerial view of the city and a 'See Project Map' button; 3) 'Share your ideas' with a photo of sticky notes and an 'Add Your Idea' button.

Next Steps

- Stow to set up project webpage
- CA to build out Social Pinpoint engagement materials
- 10/16/21 – Bike N Brainstorm
- Identify component to be implemented by January as an early win
