OFFICER'S NAME LOCATION

I was making a right turn out of the drive in. I came to a complete stop and looked both left and right and it was a clear intersection. I start making the turn and the van comes into view and I struck the van around 3-5 mph. We pull into the auto zone parking lot and I call my father to tell him what happened. Then I get out and talk to the man I collided with. I then call the Stow police department (non-emergency). I get my insurance and wait for the officer to arrive. The officer arrives and takes photos.
