I was driving Northwest on Fishcreek when the cars in front of me came to a sudden stop. I came to a complete stop when I noticed in my rearview mirror that the car behind me I could tell he wasn't going to stop & hit my car from behind. It didn't appear he even hit the brakes at all. I braced myself the best I could. My neck snapped back my car hit the car in front of me because of the force of the impact, which in return the car in front of me hit the car in front of him.
