NARRATIVE  
**Unit 1 was traveling southbound on State Route 8 approaching mile marker 8.4. As it was traveling it left the roadway to the right. As the driver brought the semi back into the lane of travel it began tipping over onto its passenger side, tipped, then continued sliding southbound toward the ditch. The semi rolled over onto its roof as it slid into the ditch at which point the fuel that was in the tanker exploded causing the semi-truck to catch fire. The driver of the vehicle was trapped in the cab after the truck had rolled onto its roof causing the fatality.**
