Tried to pass me I was trying to get on 91 north she didn't want me to get in front of her. the I'm looking back at her she is driving on the rear all the way to 91 & Kent rd looked like she was faking or something. I had my turn signal on to get over on the right lane to turn right on Kent Rd. she speed up to 95-100 block me from getting over. I didn't see her until she hit me.

As I was driving down 91 North, a car beside me was behind a car turning into Tip Top and I guess wanted to go around, I was in the right lane and he started coming over, I went to the right as far as I could but the curb stopped me. That's when I heard a crunch and the car hit me.

in the left hand lane
