I was driving in the right lane of Kent Rd, approximately 25-30 mph. I noticed a vehicle pull out of the left lane (moving into the right lane) and it hit me. It was too quick and close for me to react and get out of the way once I noticed it.

I pulled over and got out of my vehicle. A gentleman approached me and asked if I was OK.

As I walked to the location I was hit, I was informed a truck was hit from behind as well as the female driver was stopped.
