OFFICER'S NAME LOCATION

upon arrival to pick up a washing machine the passenger/victim was walking down my drive way toward my garage while his partner was moving the truck toward the turn around put the truck in reverse and lunched in reverse kind of fast but no more than 10 mph then hit his partner launching him head over heels approx 6-10 feet through the air landing on his head in almost hand stand position and sounded like a bowling ball got dropped when his friend got out he asked the guy he hit "what happened" and we told him hit his friend the driver was apologizing to his friend for being in a hurry and seeing him when we determined he need a doctor I called 911 and the police came with an ambulance
