I, Cindy Cocher PRINTED HEREBY MAKE THIS VOLUNTARY STATEMENT TO  
Pt E. Wanner # 745 OFFICER'S NAME AT Darrow Rd/91 S LOCATION

I had just turned right onto Darrow going 20 or less into (R) lane. I was about to turn (L) so I began getting into (L) lane with turn signal on. I saw a car coming in (L) lane & swerved back into the (R) lane. The man in silver jeep turned into my lane & cut right in front of me into the right lane but did not complete his turn into the right lane, for which I had the right of way in my own lane. That's how he got dent in (R) passenger rear bumper, because he did not complete his turn into my lane. I never expected him to swerve into the (R) lane suddenly right in front of me.

I have a pic of his car that he did not complete turn into (R) lane from (L) lane.

Jeep was in front of me at red light on corner of Graham + Darrow. ~~Admitted~~ North going South. Right lane (straight) closest to city building. The light turned green and we started to move. A car going West to ~~East~~ South turned in front of the Jeep. Jeep swerved into left lane to avoid hitting the Honda. After avoiding the accident the Jeep cut her off by coming back into her lane (right lane), forcing the Honda left front to hit the Jeep rear right. The Honda ~~was~~ made movement when the Jeep made contact. Both cars stopped and we waited for police w/ them to witness. Accident had been avoided until the Jeep what appeared as made ~~a~~ contact on purpose with the Honda. The only reason we stayed was because it seemed as an act of road rage.
