OFFICER'S NAME LOCATION

I was in the ~~left~~ in the lane going straight next to the left turning lane and another lane going straight (next to the right of me). An elderly lady in a green Toyota Corolla (license plate JVA 1456) was in the left turning lane and passed through three lanes by turning right and they hit the front left side of my car when doing so. We were heading in the same direction. When they turned right into the lot the light had just turned green so I started moving straight and that is when her car scraped mine.
