DESCRIBE WHAT HAPPENED Unit 1 was stopped East bound waiting to turn North onto fishcreek Rd from the ACME driveway. Unit 2 was also heading Eastbound and failed to stop hitting Unit 1. Unit 2 backed up and then drove left of Unit 1. Waited at the light and turned North onto fishcreek Rd. Unit 1 took a picture of Unit 2's license plate as they drove off. A witness filled out a witness statement.  
 I spoke to Unit 2 on 11-29-22. He denies driving on that day and stated no one else drives his car.

I, <u>Michelle Schmidt</u> PRINTED	HEREBY MAKE THIS VOLUNTARY STATEMENT TO
<u>Johnson</u> OFFICER'S NAME	AT <u>Acme exit on Fishcreek</u> LOCATION

I was the 4<sup>th</sup> car in line at the light to exit Acme onto Fishcreek. Turning left, the car in front of me hit the car in front of them. I was able to see the car "move" that got hit. After hitting the car the driver backs up - so do I. I stop once he does but then he continues to back up - I tap my horn - he still is backing up so I lay on my horn. He finally stops - then pulls around the guy he hit using on coming traffic lane to go around - sits at the light that ~~is~~ now is red (Car that was hit had hazzard lights on) Once it turns green the car goes left onto Fishcreek and at the next light turns into Meijer entrance. Looked to see if it was a male/female old/young driver but window tint was too dark to see in.
