Off. Wika #761 AT Sleep Outfitters  
OFFICER'S NAME LOCATION

We were both driving in the left lane going East towards Kent. I was about 3 cars back from the intersection (around Sleep Outfitters) when I had stopped. This was around 2:45pm when I was hit from behind by a red camry so I slammed on my breaks to prevent my car from going forward any further. And then I was hit again with about the same amount of force as before. I then got into the left turning lane and the top of us pulled into the Acme parking lot.
