I was northbound on Darrow stopped at intersection of Graham at red light waiting to turn left (west) onto Graham.

Traffic south bound had a green light. Our light then went to a solid green (not a turn arrow). A blue SUV was travelling south on Darrow and was coming through the intersection.

A silver Toyota in front of me turned left into the path of the SUV. The SUV tried to avoid contact but the Toyota never stopped and hit the driver's side of the SUV.

I was stopped at the light between Darrow and Graham waiting for the light to turn green. The light had turned green but was not a green arrow. I proceeded not paying attention into oncoming traffic. I saw the other vehicle too late, he tried to swerve me and I tried to stop, resulting in me hitting him on his side.
