Was coming up to intersection of 914 59 at a red light. Lady let me into the right lane. Sat at light for a few minutes. Emergency vehicle came thru intersection on 91 & when light turned green, vehicles started moving. Guy in front of me moved about 2 feet then stopped again. I hit him in the back of his car. Guy was mad as hell saying I rode his butt & cut in behind him. Lady let me in & traffic was already stopped. Either way I hit him when he stopped again after light turned green for whatever reason.

called 911
