I was in the center lane turned on my turn signal and began to merge into the turning lane. Once my front end entered the turning lane my car was struck by the other vehicle involve. the light at the intersection ahead was red and there was about 8 cars stopped in the lane ahead of me. The other vehicle was going too fast for the situation and was trying to speed around me. Striking the side of my vehicle and damaging my front end. He was attempting to turn left at the light but attempted to get in the turning lane by cutting through the two way turning lane.
