I was driving on norton rd towards Rt. 6 from Hudson, OH. A tow truck coming in the opposite direction started to come left of center. I could not tell if he hit the subaru in front of me. I attempted to pull to the right, but ^{space} was limited due to the ditch. The tow truck hit my truck head on & I was forced into the ditch. The driver of the tow truck came up to my window, it was frozen & I could not open it. He said what sounded like "are you OK? I cannot stay because I have a warrant but I will call someone." After he went back to his truck, the driver of the subaru came up, I asked him to get a picture of the tow truck's license plate. That ^{subaru} driver then went to talk to the tow truck driver. Another truck stayed until the cops came, but the tow truck driver left the scene. The cops were called
